REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Though the prior art indicates numerous aspects of the present invention, art was not found which disclosed:

With respect to claims 1 and 13, a punch having a pair of punch blades with projecting spurs formed on each surface and an outer safety sleeve covering the blades when the punch is withdrawn from the container, and with respect to claim 16, a punch having a pair of punch blades with a plurality of penetrations formed to cooperate with a plurality of projections formed on the discharge conduit and an outer safety sleeve covering the blades when the punch is withdrawn from the container, together in combination with the other claimed features of the applicant's invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Stump shows a driving faucet. Becker shows a pouring spout for cans.
